Trailers may be left unattended in the open provided they are padlocked to a securely locked motor vehicle or to a fixed and immovable object or with their wheels removed.

The **insured craft** may not be towed unless in need of assistance and may not undertake salvage or towage services under contract.

Limit of Liability Any One Event

- a. in respect of compensation and legal costs relating to death of or injury to any other person: the minimum limit of liability as permitted under Italian Law number 198 of 06/11/2007 and subsequent amendments;

If however a claim made by **you** involves both Section 1 and 2, the **excess** shall only be applicable once.

How We Settle Claims

1. Options Available to Us

We will, at **our** option, pay in cash the amount of the loss or damage or may repair, reinstate or replace the lost or damaged property.

If **we** choose to repair, reinstate or replace property, **we** shall be obliged to do so only to an extent as is reasonably deemed practically sufficient regardless of the fact that former appearance and condition of the property may not be precisely restored.

2. Reduction of Sum Insured

The **sum insured** on hull, inboard machinery, gear and equipment will not be reduced by any claim. Other **sums insured** are reduced by the amount of a claim.

3. Basis of Settlement

- For a **total loss**, **we** shall base **our** settlement on the **insured craft's market value** at the time of the loss but the most **we** will pay is the **total sum insured**.
- In the event of a partial loss, **we** shall base **our** settlement on the reasonable cost of repairing or reinstating the lost or damaged part of the **insured craft** (to a condition similar to but not better than that which existed at the time of the loss) and necessary expenses related thereto plus any necessary salvage charges, subject always to:
 - such cost and expense not rendering the loss a **constructive total loss** in which case **we** shall never pay more than the **insured craft's market value** or the **total sum insured**, whichever is the lower amount, and
 - the maximum payable for any item of **additional property** specified in the **schedule** being the **sum insured** on such item as noted in the **schedule**, and
 - the maximum payable for any item of **special equipment** specified being the **sum insured** on such item as noted in the **schedule** or in any specification forming part of it.

It is therefore understood that all claims may be settled bearing in mind deductions to reflect age, wear, tear and depreciation.

The only costs payable by **us** in excess of the **total sum insured** are costs for sue and labour referred to in Section 1- Loss or Damage to the Insured Craft.

4. Constructive Total Loss

In ascertaining whether the **insured craft** is a **constructive total loss**, the **total sum insured** shall be taken as the repaired value and nothing in respect of the damaged or break-up value of the **insured craft** or wreck shall be taken into account.

No claim for **constructive total loss** based upon the cost of recovery and/or repair of the **insured craft** shall be recoverable unless such loss would exceed the **total sum insured**.

5. Unrepaired Damage

If the **insured craft** becomes a **total loss**, **we** shall be entitled to reduce **our** payment by the amount of any claim **we** may have paid for previous damage which is still unrepaired at the time of the **insured craft** becoming a **total loss**.

6. Other Insurances

In the event of any other insurance covering the same claim as this **policy**, **we** shall only be liable to contribute **our** rateable proportion of such claim.
