

# Personal Case Management and Wellbeing Cover

January 2019

## Taking health insurance to a new level

You probably have health insurance already which covers you for diagnosis and treatment of acute medical conditions. With our Personal Case Management and Wellbeing cover, which can be purchased alongside your regular Atlas Healthcare plan in Malta, you get much, much more.

## Personal Medical Case Management

Much more than just a second opinion, when you access this service, you will be assigned an experienced case manager from one of the multidisciplinary teams which includes doctors and renowned medical experts from around the globe. Your case manager will identify which medical experts are best to deal with your case and you can expect a comprehensive care plan detailing any recommendations suggested by your expert team.

# Personal Case Management and Wellbeing Extension

## 1. Personal medical case management

Benefits	Limit
In the unfortunate event that <b>you</b> are diagnosed with a serious illness, <b>we</b> may offer <b>you</b> access to a personal case management service. <b>Medical practitioners</b> will review <b>your</b> case and may also be able to recommend a suitable course of <b>treatment</b> for <b>you</b> . <i>Please note: If <b>you</b> choose to make use of this service, any treatment <b>you</b> receive will remain subject to the terms and limits of this policy, even if it is on the recommendation of the <b>medical practitioner</b> reviewing <b>your</b> case.</i>	Included

## 2. Cover for chronic conditions

Benefits	Limit
This policy will also cover <b>you</b> for out-patient routine follow up consultations (and associated outpatient diagnostic tests) with a <b>medical practitioner</b> for the purpose of monitoring the on-going control of a specified chronic condition listed below. The routine out-patient drugs prescribed by the <b>medical practitioner</b> for the purpose of maintaining a <b>chronic</b> condition in its controlled state are not eligible for benefit. Specified <b>chronic</b> conditions are limited to: angina, arthritis, asthma, chronic obstructive pulmonary disease, diabetes, glaucoma, high cholesterol, raised blood pressure, thyroid problems.	€300

## 3. Vaccinations

Benefits	Limit
Vaccinations including the cost of the vaccines and <b>medical practitioner</b> or <b>nursing</b> charges for their administration in their place of practice.	€200

## 4. Additional accommodation for adult relatives of children under 18 years of age

Benefits	Limit
This benefit is for the cost of one adult relative staying in <b>hospital</b> with a child under 18 years old while the child is receiving eligible private treatment. The child must be covered by the <b>policy</b> and the benefit is paid from the child's benefit. This benefit is only available if <b>treatment</b> is eligible for payment.	Limits as per <b>benefits table</b> applicable to <b>your plan</b> under the Additional accommodation benefit.

Benefits are per policy **year** unless otherwise stated

### Special Conditions applying on the purchase of this Extension.

1. Minimum numbers of members are required to take up this cover for company paid groups (at least 10 members)
2. For voluntary members or company paid groups with less than ten members, pre-existing chronic conditions will not be covered
3. Charges for vaccinations are not eligible for benefit when incurred in the first twelve months of cover under this extension except in the case of new-born babies when one parent and any older siblings have been insured for twelve months under this extension.
