Duty of Disclosure

It is your duty to present us with all material information. You are required to complete and sign a proposal form. You are reminded to ensure that the information you provide is complete and accurate. If you are in doubt whether anything may be material to the proposed policy you should disclose it, even if there does not appear to be a question on the proposal form that covers the particular point.

You are responsible for reviewing your contract documents to ensure that it accurately reflects the cover, conditions, limits and other terms that you require.
