Please be aware of the following points before you start to complete this form

Your group policy will be underwritten by AXA PPP healthcare Limited ("AXA PPP"). AXA Global Healthcare (UK) Limited is acting on behalf of AXA PPP for the purpose of accepting and administering this policy.

If you select Full Medical Underwriting (FMU) as the underwriting style of this group scheme, each employee must complete and sign a ‘Corporate member application form’. This will form the basis of the contract between your company and AXA PPP.

If you select Medical History Disregarded (MHD) as the underwriting style of this group policy please make sure the medical history statements in 4 Medical history statements are completed.

If you are switching from another insurer to AXA:

• the underwriting style of this group policy will be Continued Medical Exclusions (CME) and the terms will remain the same as your existing policy, providing you are able to tick ‘No’ to both medical history statements in 4 Medical history statements.

• please enclose a current policy statement for each employee to be covered, as proof of their current underwriting terms – if we don’t receive this, Full Medical Underwriting will be applied to the policy.

A number of countries require residents, whether expatriates or otherwise, to take out health cover through a local provider or to hold cover which meets certain compulsory requirements. This cover may not meet these country specific requirements and therefore additional cover may be necessary. In some situations there may be consequences in the form of tax penalties or otherwise where a resident does not hold the required local cover in addition to their international medical insurance policy. It will be your obligation to ensure that each of your employees and their family members hold the cover required by their principal country of residence (as defined in 2 About the company).
