HOW TO USE THESE FORMS IN FRONT-TO-REAR COLLISIONS

Each driver who is involved in a front-to-rear collision should fill in and exchange a copy of this form with the other driver.

In all other collisions the Local Wardens should be called to the site of the accident (tel: 21 32 02 02). The police must also be informed in case of injuries or damage to Government property.

If a driver does not follow these instructions, he will be breaking the law.

At the scene of the accident

1. Only one Statement of Facts on a front-to-rear collision is to be used. When the accident involves more than two vehicles, a second form should be used.
2. The Statement of Facts is self carbonised. Preferably using a ball-point pen, complete fully either the yellow or the green part of the Statement of Facts. The other driver is to complete the other coloured section pertaining to the second vehicle. Obviously both drivers will need to refer to their insurance certificate and driving licences for the relevant details.
3. Obtain details of all witnesses before they leave in order to complete question 5.
4. When you are satisfied with the accuracy of the statement, sign it and have it signed by other driver (15). Keep one copy and hand the other to the other driver.
5. Do not forget to:
 - a. Mark clearly under (10) the point of initial impact.
 - b. Tick () in each appropriate square on your side (number 1 to 7) in section 13 and insert the total number of boxes marked.
 - c. Draw a plan of the accident location (14) showing all the information indicated.
6. It is advisable to take photographs of the collision, so as to have better proof of the circumstances.

When you return home

1. Fully complete the **Motor Accident Report** on the back of your version of the **Statement of Facts**. This is your own report to your insurers, and in case of need, your insurance company will help you fill in this report.
2. Immediately inform your insurers about the accident and deliver this form to them which includes (i) the Statement of Facts and (ii) Motor Accident Report.
