Your Policy and Contract of Insurance

Urban & leisure, active and electric bike insurance policy

Welcome to Atlas' iCycle Policy

Your iCycle policy is an insurance contract underwritten by Atlas Insurance PCC Limited (**Us**) the basis of which is the information **You** have provided to **Us** (including information given on-line and/or on a proposal form) and the **Premium** payable. **We** will, in the event of loss damage or injury happening during the **Period of Insurance**, provide insurance as described in this policy.

Your policy consists of:

- this policy wording. This gives **You** a full explanation of **Your** cover;
- the **Insurance Schedule**;
- any **Endorsement** added throughout the currency of the policy;

The above should be read in conjunction with each other. Any word or expression used with a specific meaning in any of them shall have the same meaning wherever it appears.

Please read the policy carefully to avoid any misunderstanding and check that all the details are correct, that **You** have the protection **You** need and that **You** know what to do to claim.

Please notify **Us** of any change in **Your** circumstances. Failure to do so may invalidate **Your** cover. **We** have tried to make this document easy to understand, but if **You** have any questions please call **Us** on 23435381 or write to **Us** at the address shown on the back page of this policy.

How to read Your iCycle Policy Wording

You need to be aware that the policy wording is subject to certain exclusions and conditions. It is therefore essential that **You** are aware of what is covered and what is not and any security requirements and conditions **You** need to comply with.

For simplicity, **We** use keywords or phrases which are shown in Definitions and these are listed in alphabetical order. They have the same meaning whenever they appear and are shown in **Bold** with an initial capital letter so as to remind **You** of their importance.

To help **You** understand the cover provided, Section 2 is laid out with the following headings:

What is covered	What is not covered
This is printed on a white background and gives detailed information on the insurance provided.	This is shown on this background and draws your attention to what is not included in the scope of your policy.

In addition **You** should also read Section 3 - Security Requirements, Section 4 - General Policy Exclusions and Section 5 - General Conditions.

Law Applicable to the Contract

Unless some other law is agreed in writing, this policy is governed by Maltese law. If there is a dispute, it will only be dealt with in the courts of Malta. However, where a claim under Section 2.1 or 2.2 has been accepted and there is a disagreement over the amount to be paid to **You**, the dispute must be referred to an arbitrator to be appointed by mutual agreement between the parties in accordance with the provisions of the Arbitration Act 1996. When this happens the making of an award by the said arbitrator shall be a condition to any right of action against **Us**.
